### Eligible Breeds

Lure Coursing tests and trials shall be open to eligible breeds one year of age or older.

For a complete listing of the breeds eligible to participate in the AKC Lure Coursing program, please visit the AKC website at: [http://www.akc.org/events/lure\\_coursing/eligible\\_breeds.cfm](http://www.akc.org/events/lure_coursing/eligible_breeds.cfm).

A dog with an AKC Limited Registration shall be eligible to be entered in Lure Coursing tests and trials, as are spayed and neutered hounds.

Monorchid and cryptorchid hounds are ineligible to participate.

### **Stakes Offered**

**JUNIOR COURSER and QUALIFIED COURSER TESTS** are open to hounds at least 12 months of age. The course is a minimum of 600 – yards with a minimum of four (4) turns.

**Junior Courser:** a hound running alone shall receive one qualification from a judge, and a second qualification from a different judge at a separate event, stating that the hound completed the course with enthusiasm and without interruption.

**Qualified Courser:** a Qualifying hound (blanketed) running with another hound of the same breed or another breed with a similar running style (Testing Hound, not blanketed) shall receive certification from a licensed judge. The hound must complete the course with enthusiasm and without interruption, sufficiently course the lure and not course the Testing Hound. The judge will certify that the Qualifying Hound ran cleanly and did not appear to present a hazard to the Testing Hound at any point in the qualifying course. This certificate is required to enter a hound in an Open Stake. The handler presenting the Qualifying Hound shall be responsible for providing the Testing Hound for the qualifying course. Upon successful completion of the Qualified Courser test, the judge completes a certificate and awards it to the handler. This certificate must be submitted to the host club with the hound's first entry in an Open Stake. The certificate must be included when the results of the trial are sent to the AKC. It is strongly recommended that every Qualifying Hound has been run previously alone and that to the handler's satisfaction runs cleanly and keenly. It is additionally recommended that every Qualifying Hound practices with other hounds prior to being presented for a qualifying courser test. It is to be understood by all that training prior to running a hound with other hounds in competition is essential to ensure that the hound is prepared to run safely with other hounds.

**Open Stakes:** Open to all hounds that have obtained an AKC Qualified Courser certificate.

This requirement will be waived for hounds that have earned a Field Championship title from the American Sighthound Field Association (ASFA) or the Canadian Kennel Club (CKC). ASFA or CKC Field Champions must submit a copy of their title certificate to the host club when they enter their first AKC Open Stake. This copy must be included when the results of the trial are sent to the AKC.

Championship points earned from the Open Stake will only count toward a Field Champion title.

Hounds that have earned an AKC Field Championship title are not eligible to enter the Open Stake.

**Special Stakes:** Open to all hounds that have earned their AKC Field Championship titles. Championship points earned from the Specials Stake will count toward Lure Courser Excellent titles.

Qualifying scores earned from the Specials Stake will count toward a Senior Courser or Master Courser title.

**Veteran Stakes:** Open to all hounds which are eligible to enter Open or Special stakes and meet the age requirement for a veteran as established by the breed's parent club – 6 years of age; except Irish Wolfhounds = 5 years, Whippets = 7 years, Rhodesian Ridgebacks = 7 years, Ibizan Hounds = 7 years, and Afghan Hounds = 7 years.

Championship points will be awarded. Points won from the Veteran Stake may count toward either a Field Championship title or Lure Courser Excellent title.

**Single Stakes:** No points or passes counting toward AKC titles shall be awarded. All regulations pertaining to regular stakes shall apply.

### **Lure Equipment**

Gasoline powered or electric continuous loop lure machine will be used; backup equipment will be available.

Lure will consist of white and/or black plastic strips. The course will be reversed for Final courses and again for BOB.
